

Ajax/Pickering Minor Hockey Association

IMPORTANT NOTICE TO ALL TEAMS

The building parking lot directly to the south of Don Beer Arena (across the grass) cannot be used for pre-game team warm up. We have had issues with damage to the property in the past tournament and the landlord has new security cameras installed.

We have been told by the City of Pickering that By-Law officers will be patrolling the area this weekend and will be issuing trespass tickets to anyone on the property using it for team warmups. They will not provide a warning, tickets will be issued.

This went all the way to the mayor's office after our last tournament so we would appreciate everyone respecting the property by not going anywhere near it.

Any of the grassy areas can be used for warmups but you cannot use their parking lot as a warmup facility.

We appreciated your cooperation and attention to this matter.
